Sleep

Summary

Small fluff

Will sat at his desk correcting papers, insomnia nipping at him again. He looked over at his bed his lover was spread out, snoring lightly. Will smiled to himself, 'What did he do to deserve a man like Hannibal?' Will got on his pajamas and climbed into bed next to the older man. Hannibal was curled around him as soon as he settled into the blankets. Will laughed, "You know I still have papers to correct?"

"It can wait," Hannibal mumbled in response.
